OLD BUSINESS

Discussion took place on the issue of the opioid class action lawsuit with Attorney Brandon Voelker recommended to wait as in most cities are joining forces with county agencies to get a collaborative effort across the State to pursue as such. It would be more effective than one stand-alone city trying to compile the necessary data whereas, agencies joining together have more resources to accomplish the necessary data collection.

Mayor Ron Stinson then explained the need to ratify the NKADD Regional Ethics agreement to include two cities being added. This action necessitated new signatures of all members.

MOTION: David Klaber made a motion authorizing the mayor to sign the necessary documents ratifying the NKADD Regional Ethics agreement. Seconded by Shannon Johnson; all aye 6-0-0
